

Free Distribution of Clay Ganesh Idols by HMDA-2025
(Press Release)

The biggest concern of urbanisation is pollution – be it air, water or ground all contributed by factors like increasing density of population, transportation, waste disposal practices, etc. The HMDA is promoting the concept of “Eco Ganesh” / “Green Ganesh” / “Clay Ganesh” since long as immersion of such idols in water bodies may not have any debilitating effect on water quality. In fact, from the year 2017, the HMDA is distributing “Clay Ganesh’s” to citizens on free of cost basis in order to minimise the usage of PoP based idols.

This year, HMDA is making arrangements to distribute 8” Clay Ganesh Idols of 1,00,000 Nos. to the Public, NGO’s at 34 locations in Hyderabad for free of cost to encourage use of Clay Ganesh Idols , so as to create awareness of No Plastic in the public and in protection of the environment. The distribution will be made at the following locations between 24.08.2025 to 26-08-2025 and details are as follows:
